

V8 +Energy®

# The V is for Vegetables.®

And V8 +Energy® is for steady energy with no regrets.

V8 +Energy® provides steady energy from natural green tea extract and contains one combined serving of fruits and vegetables in every can. Help guests power through the day with this flavorful alternative to coffee, tea and other energy drinks.

## Benefits

- Lower calories and sugar than competing energy drinks and sodas
- 80mg caffeine per container
- No artificial colors or flavors
- 60 calories or less per can
- Available in still and sparkling varieties
- Excellent source of vitamins B and C

# V8 +Energy<sup>®</sup> is for boosting your beverage program.

For more than 75 years, V8<sup>®</sup> has been delivering vegetable nutrition in both simple and innovative ways. Today, we're a family of trusted brands—all designed to meet the needs of any operation, as well as the demands of guests today and into the future.

Think  
beyond  
traditional  
coolers.

V8 +Energy<sup>®</sup> is shelf stable—take advantage of multiple merchandising opportunities:

- Near the cash register
- On bagged snack shelves
- In pre-packed grab-and-go snack bundles
- Next to coffee stations
- Try V8<sup>®</sup>-branded coolers or countertop coolers
