

# HOW YOU SERVE *matters.* AND WE'RE HERE TO HELP.

Providing what your guests want, how they want it, has never been more complex. That's why we're stepping up to support you with more than just food. Use these warming plates and warming units to offer pre-portioned grab-and-go cups of soup in your self-serve area or from behind the counter.

### Features

- All models have thermostatically controlled base heat in each heat zone to maintain optimum serving temperatures
- Separate on/off switches and temperature controls for each shelf allow for holding a variety of soup sizes or other food products
- Standard box stop doubles as a sign holder (excluding base-only models, signs not included)
- Incandescent lights with bright annealed reflectors illuminate the holding areas (excluding base-only units)
- NSF requires units over 36" (914 mm) in width or weighing more than 80 lbs. (36 kg) to be either sealed, or raised on the installation surface with the 4" (102 mm) legs included
